

We are SO proud of the Class of 2024 and their university acceptances! Our goal is to get every student into a university that is the best FIT for them and it's great to see how well they've done this year! All of them have worked hard to get to this point and we are confident they are ready for the next steps! Congrats, Seniors!

Our HS Drama and Tech Theatre students performed the play *The Resistible Rise of Arturo Ui* this week! It was an amazing performance around the entire PAC building!

Our grade 3 students performed amazingly in their recorder concert this week!
