

Our Engineering Design students had a special guest, Mr. Pommi, join them this week to share about theory of design and the students had a challenge to use this knowledge to create the pen holders.

Our 2nd graders presented their amazing work to students, parents and teachers during the annual country fair!

Our grade 8 students and teachers took the annual Thai field trip to Chiang Mai.

The first ICS PTO Parenting seminar was a huge success! It's great to see that so many parents came!
