

In Thai class, K4 students learned about colors. They chose crayons to match the colors they heard and created vibrant shapes in that color. FUN!

Our Strings & Band teachers and students hosted a "Try It" session for the grade 5 students as they think about what classes to take in MS!

The HS counseling team organized a "Not So New" student lunch this week as a support and check-in for students in their first year at ICS!

This week, grade 4 classes went to Second Chance Bangkok to learn about creating new items from recycled materials and they learned about the challenging life experiences facing people in Bangkok.
