

Seniors from the Class of 2024 presented their Capstone Service Projects this week! This is such a wondrous community event celebrating the culmination of a great deal of work by our seniors. The day included seniors giving presentations to the assessment panels, hosting ES, MS and HS students as well as a community fair time at the end of the day! It was a long day and they were exhausted, but our seniors did a fantastic job! Congrats, seniors!

ICS parents are the BEST! What a huge blessing and encouragement to our teachers and staff at the Teacher Appreciation Day festivities! Thank you to all parents and PTO!

MS students enjoyed their 3rd Quarter Rewards Day at Mega Bangna this week!
