

Grade 2 students had a special guest author appearance this week! Mrs. Asia Miles came to read her newly published book, *Magnificent Mr. Monitor*. She also taught them how to illustrate a stuffie!

This week, our MS & HS Students participated in the annual Triple T week, where they learn about important topics relevant to teens such as mental health issues, dating, online safety, sex education and the dangers of pornography.

HS Statistics students conducted a "Barbie Bungee Jump" experiment to measure how many rubber bands give the best result.

Our MS Advanced Strings students participated at the BPS Strings Festival this week!
