

The Theater Department's production of *Seussical* was absolutely magical this week! The students were incredible in their singing, dancing and acting as well as a great job by the entire tech crew! It's amazing to see over 100 students come together to make this happen under the leadership of Mr. Gersom, Mrs. Liz, Mr. Micah and Mrs. Aimee! Congrats to all!

MS Classrooms started preparing for the annual Christmas Shoebox projects this week!

Grade 1 students did a pumpkin Math & Science activity today! They estimated the number of seeds, counted them and then ate pumpkin pie!

# SPOTLIGHTS

We are excited for the ICS Community Maker's Fair December 7-8!

While learning about the Maasai people in Kenya and Tanzania, 3rd graders made models of their beautiful necklaces.

Our 3rd grade students are learning about Kenya and had a Zoom call with some former ICS students who are now living in Kenya! Very cool!

MS Global Issues students showcased and pitched their ideas for a startup NGO! There were some great ideas!

Our Varsity Girls Basketball team went undefeated in winning the Rugby tournament last weekend and the Varsity Boys team took 2nd place! GO EAGLES
