

Grade 2 students worked on their Japan maps as part of their unit on Japan.

Many of our middle and high school students joined the *See You At The Pole* event this week. This is a worldwide event where students meet to pray for their schools and students.

We recently sent several MS & HS students to Kanchanaburi to compete in a cross-country meet that featured over 10 teams from outside of Thailand! GO EAGLES!

MS students are engaged! It's great to see so many join for the end of the week Kingdom Seekers events!
